Is this the real life?
Is this just fantasy?
Looking forward to the day too much
Uuu
You look cute—Mah ru
1 week later
so you've been trying out clothes?
Going out with Taka-nashi-san
わくわく
どきどき
Don't do that! You'll leave a mark on your cheek
I need to make sure
Maybe this is a dream
Even though your face is already very red
There's still quite some time till tomor-row
I get how you're feeling but you've got to calm down
Use a different method!
U-

But—!!

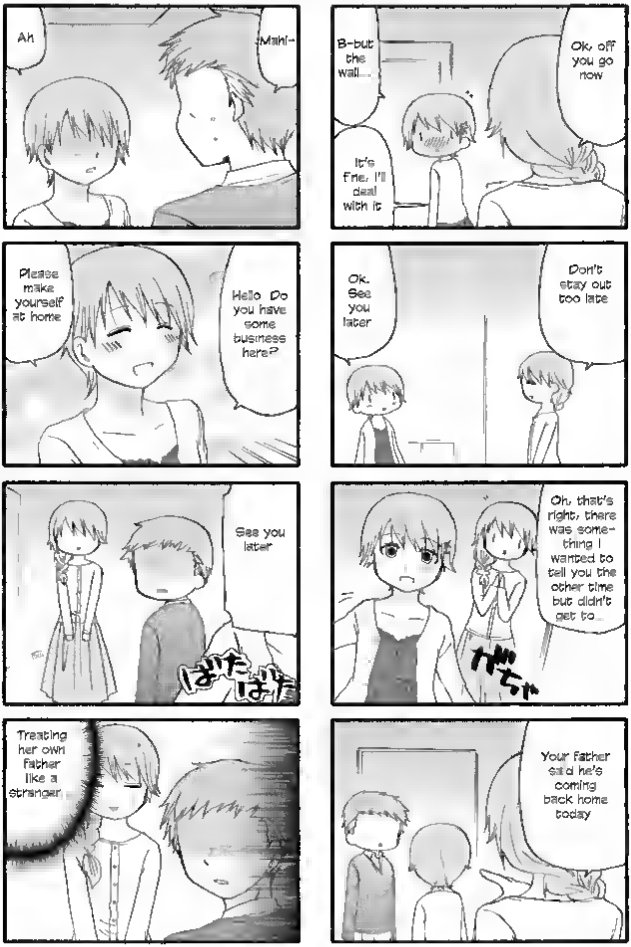
Today?
Oh?
It's not tomor-row
Soon?
See, you're not dreaming, right?
I felt that!
You really need to calm down
Next week



Encounter
Ah
Mishi-
Please make yourself at home
Hello. Do you have some business here?
Sea you later
ばたばた
Treating her own father like a stranger
By the way
B-but the wall...
It's fine. I'll deal with it
Ok, off you go now
Ok. See you later
Don't stay out too late
Oh, that's right, there was something I wanted to tell you the other time but didn't get to...
がちゃ
Your father said he's coming back home today

Climbed over a hurdle
Mahiru has recovered to the point where she can greet men
I see...
You've certainly mellowed out dear
Maybe that's also thanks to Takanashi-san
I've been regretting the extent with which I educated her to stay away from men, so hearing that does make me feel a little better
Now there's no need to worry if Mahiru gets a boyfriend...
How nice!
Perhaps not
Yeah...
Shocked
.....
W-Welcome home, dear
Mahiru is...
Mahiru just
N-No. She just wasn't thinking properly at the moment...
Dear...
She
So you're fine with being treated like that, huh?
She just greeted a man!

Suave Kotori-san
Oh my, that child
What to do?
She's left her wallet behind!
That won't do! For times like these, girls have to pay too!
Guess Takanashi-san is going to have to pick up the tab for today
あっはっはっはっはっは
ahaha hahaha
I wonder why?
Even though it's with a girl?
...wait, why are we acting like Mahiru's gone on a date with a guy?
Ever since Kotori-san
Is that so?
By the way, Mahiru's gone out with Takanashi-san
I'd like to say hello.
Haven't seen her since that time
Right
Now, now, dear, it's no good to be the 3rd
あっはっはっはっはっは
ahaha hahaha
dunno
Even though the other party's a girl?
...wait, why am I acting like Mahiru's gone on a date with a guy?

Calmly waiting
Close my eyes
And try not to look around
Try not to—
F-For now I'll take a deep breath
Heart-thumping Wait
Wh-wha-what to do—
I arrived too early
I'm so nervous
I'm
Sorry
B-But I can't calm down because I'm going on a d-date!
What's the point if I'm tense about it? Yeah!
late—
There's no need for that anymore!!!
I have to calm down!
